

2023 A Year of Restoring The Law & Order of Christ

In 2022, we cleared and truly witnessed an Instant Resuscitation for Recovery. Through the Apostolic and Prophetic Voices, God used His servants to call His People out of a coma like state, resuscitating them to a road of recovery. We saw believers and unbelievers in a spiritual shipwreck being thrown a lifeline that they might live and recover. We saw the modern day Lazarus resuscitated, resurrected, and grave clothes fallen off. This was a movement of God. The enemy tried to take us out through much demonic warfare, but God saw fit to resuscitate us, resurrect us, and cleared us to live. We finished strong without any demonic carryovers in 2023. **All I can say to Divine Deliverance Life Center, Bearing Oil Ministries, and Christ Healing Temple Ministries is LIVE, LIVE, LIVE, LIVE, LIVE.**

2023 A Year of Restoring The Law & Order of Christ

In 2023 and Beyond: We shall witness a True Mass Repentance in the Body of Christ. **This Shall Birth A Great Awakening Revival & A God Movement.** We shall recognize the need to exchange carnal dissipation, deteriorating appetites for an insatiable appetite for The Law & Order of Jesus Christ to be restored. God has already started depositing and preparing the hearts and minds of a company of Apostles and Prophets to expose and drive out the false prophetic communicators in our land. There is a remnant that has recognized the need for **Restoration of The Law & Order of Jesus Christ** and have been given the spiritual military power for reinforcement in 2023. The people of God will return back to their first love and the church shall return unto its original intent of the New Testament Church in The Book of Acts. **This Is The Year of Restoring The Law & Order of Jesus Christ.**

Restoring The Law & Order of Christ And To The Church

In 2023 and Beyond: **After The Law & Order of Christ has been restored, The Church shall bounce back stronger than ever before.** During the three (3) years of the plandemic, The Church has been found guilty of spiritual perjury. The Church voluntarily violated The Law & Order of Christ by coming into agreement and making covenant with the ungodly, untrue, unfavorable, and uncircumcised heathens of this world. Many of the 5 Fold Ministers, especially the evangelical ministers have willfully interfered with the process of Restoring The Body of Christ by negatively influencing the church. **God said, "The Law & Order of Christ applies to ALL People at ALL Times and doesn't change with conditions. The Lord's Moral Laws and Divine Order, such as Justice, Truth, and Love CANNOT be changed or laid aside.** The Church has been unlawful and

out of order. This has forced the hand of God to Summon His Last Day Army to appear with Divine Reinforcement to Restore The Law & Order of Christ Back to The Church.

2023 shall be The Beginning of the Church Restoration Journey from worldly Egypt to its promised Canaan land. The Lord God shall set in motion **Divine Order**. This will light a fire in His Church that will bring forth the upper room wind of the Holy Ghost in every gathering. The Restoration of The Law & Order of Christ shall be an indicator and a sign that The Church has now prophetically crossed over the Jordan and entered its warfare to drive out the inhabitation of the land. The prophetic church will finally demonstrate **Jesus Christ is the ONLY Answer for the World Today and forever more.**

The Year of Restoring The Law & Order of Christ for Bearing Oil Ministries Fellowship International (BOMFI) and Christ Healing Temple Ministries (CHTM)

In 2023 and Beyond: **We Shall Experience Many and Mighty Undeniable Miracles, Signs, and Wonders in our ministries.** Pastors prepare your leaders for a visitation of the Holy Ghost. Do not let your leaders just be in an existence mode or just have a survival mentality. There is a stirring of the prophetic glory flowing that will manifest strongly in the months of January, February, and March. This Glory shall linger throughout 2023. **Pastors, God is calling for City Wide Revivals to begin in 2023.** Appoint and Condition Prophetic Intercessors to be the forerunners for the City Wide Revivals. There is a Heavenly Voice calling for the return of Church Shut-Ins. Through Corporate prayer, our power of agreement shall cause us to operate in new dimensions.

The season is over for Atlanta, Milledgeville, St. Louis, Greensboro, Louisville, Macon, Barberton, Dublin, and Las Vegas to be known as cities of crime and perversion. The Prophetic Intercessors Teams shall pray bull-eye target prayers until their city receives a living mantle from one of God's Generals of the Old. After the City Wide Revival, our cities shall be known as a safe haven city of refuge and a place of Divine Deliverance where great and powerful revivals have broken out. Bearing Oil Ministries (BOMFI) and Christ Healing Temple Ministries (CHTM) are on the brink of a historically unprecedented spiritual awakening for homosexuals and lesbians that were looking for love in all the wrong places. A major revival is awaiting them. The love and power of God working through the pastors and leaders shall set them free. Some of the most anointed last day churches are going to be raised up from the mass repentance that will take place radically with saved ex-homosexuals. Prepare the way for revival. Prepare your leaders to assist the Restoration of The Law & Order of Jesus Christ.

Pastors of Bearing Oil Ministries (BOMFI) and Christ Healing Temple Ministries (CHTM); God shall speak to Christian businessmen and women that will have the credentials and the know-how to help set up our fellowships with their own bank and credit union. In 2023, The Lord shall instruct you on how to be debt-free. The lack of finances will not be our portion. Spend more time in the presence of the Lord in 2023. Take at least three (3) sabbaticals for the new Dimension of Glory that shall rest upon you. This New Glory will strangely dim the light of this world. Remember Pastors that the Glory of the latter house will greatly exceed that of the former.

2023 The Year of Restoring The Law & Order of Christ Nationwide

Our Nation has allowed men and women in government who have given a safe haven and support to sodomites, perverts, and to those who slaughter the unborn. They had the power to remove the Ten Commandments from the courthouse. They removed prayer out of school. They support and encourage fornication by the dispensing of condoms and they have legalized same-sex marriages. And for these reasons, judgment has come upon the United States. There shall be food shortages, crop failures, shortages in pharmaceutical supplies, and there is another deadly disease that will quickly hit the U.S. but will quickly leave the U.S. Get your first aid kits. Get your supplies and DO NOT drink or cook with tap water. Be not afraid, for The Lord God is with you (*Psalms 37:25*). Also, this has caused The Lord God to get off HIS throne and put a burden on the His Church to FAST AND PRAY for The Restoration of The Law and Order of Christ; That the United States may come back to One Nation Under Him.

I saw a kidnap and assassination attempt with a government official in China. There shall be a leader in Government in America that will have a massive heart attack. We must pray for our government.

Also, don't put the mask up yet! We are still in an undercover chemical war that has the symptoms of long-haul COVID-19. The symptoms can affect your mental capacity, heart, lungs, ears, and eyes. There can also be unexpected and unexplained blood clots throughout your body. Also, there shall be reports of unknown strange objects flying in the air. They will look like drones. I saw the United States going under an energy saving watch. They shall put in place blackout times at specific hours of the day. This will also cause our crime to increase and there will be a lot of robberies, break-ins and looting going on. Get your guns, get your ammunition and start practicing at the gum range... for this shall surely come to pass.

2023 Personal Restoration of The Law & Order of Christ

In 2023, I saw Real Estate moving in the favor of the buyer. You shall be able to buy a bigger house with less money. With that being said, there will be ten (10) people under the fellowship that will purchase New Homes in 2023. I saw many in Bearing Oil Ministries (BOMFI) and Christ Healing Temple Ministries (CHTM) winning lawsuits. These are signs that Restoration of The Law & Order of Jesus Christ is being restored in our nation.

In today's ever expanding secular society, our youth and young adults have eagerly embraced liberty, defining it as absolute freedom. They insist that they have the right to live as they please, with no constraints because of their self-defined right to freedom, justifying whatever they choose to do. This has produced a world without boundaries where our young people will have difficulties discerning right from wrong. **But God shall raise up the Josiah's that will Restore The Law and Order of Christ back to the Church House and to the White House.** Josiah's name means **God has healed.** As God used young Josiah, so shall God raise up and use our toddlers, youth, and young adults to bring healing and put The Law & Order back into its original state. Do not ignore the Word Spoken out of the mouth of the 3-7 year olds. They will speak straight from the Heart of God. God shall raise up 8 to 17 year olds to minister and prophesied with clear and precise words of love,

hope, direction and instruction. God shall use our young adults 18 to 25 that will operate with a keen discernment to recognize the need of restoration and have the courage to reinforce the Law & Order of Christ. This shall be equivalent unto Joel 2:28. The Kingdom of Heaven Suffers Violence and Violence Take It By FORCE.

**This year shall go down in history as one of
The Greatest Soul Winning, Kingdom Building Revivals.
